

CALL FOR PAPERS

“Ovidius” University Annals of Constanta - Series CIVIL ENGINEERING (2017)

Dear colleagues and friends,

You are cordially invited to submit or recommend articles to the “Ovidius” University Annals of Constanta - Series CIVIL ENGINEERING (OUACSCE - 2017) journal, which is an open access academic journal. This journal is indexed by Copernicus, EBSCO Publishing and ProQuest databases.

You are invited to submit your scientific papers using the **OpenConf Management System** from the following address <http://revista-constructii.univ-ovidius.ro/openconf/openconf.php> until the **30 of August 2017**.

Please prepare your manuscript as MS Word document according to the guidelines provided by our website <http://www.revista-constructii.univ-ovidius.ro/> ([instructions to authors](#)). The authors of the articles submitted for publication must fill in and sign the form in which they assume responsibility for the paper content and originality. This form can be downloaded from the above mentioned website.

All submitted papers will be under peer review. The notification of acceptance/ rejection will be sent until the **31 of October 2017**.

The accepted articles will be published free of charge in the 2017 volume of our journal.

OUACSCE journal publishes original papers within the broad field of civil engineering which includes, but is not limited to, the following: *Construction Materials and Technology, Computational Methods in Civil Engineering, Structural Engineering, Seismic Engineering, Hydraulics and Fluid Mechanics, Hydraulic Structures, Irrigation and Drainage, Erosion, Water Supply, Sewage, Hydrology and Hydrogeology, Environment Protection, Coastal Engineering, Waterway and Ports, Geotechnical Engineering, Management in Civil Engineering, GIS Applications.*

Yours sincerely,

Editor in chief,

Prof.PhD.Eng. **Carmen Maftei**
